**2025 Clinical
Conference Brochure**

Dear Conference Attendees,

On behalf of the American Osteopathic Academy of Sports Medicine Executive Committee, Board of Directors, Conference Planning Committee, and the city of Asheville, North Carolina, it is my sincere pleasure to welcome you soon to the 40th Annual Clinical Conference of the AOASM.

Welcome to Asheville:

First, I would like to extend our deepest sympathies and heartfelt support to the people impacted by Hurricane Helene, particularly those in Asheville. The resilience of Asheville and their community is truly inspiring, and we are confident that the strength and unity of Asheville will shine through during the rebuilding process. In these challenging times, we stand in solidarity with the region and join the “Be Part of the Comeback” campaign, celebrating Asheville’s resilience and encouraging visitors to plan visits to the region! In addition to our conference, we will be partnering with a local community center to raise funds and support a sports equipment drive!

Asheville is located in the Blue Ridge Mountains at the confluence of the Swannanoa River and the French Broad Rivers, within the original boundaries of the Cherokee Nation. It’s the heartbeat of the Blue Ridge Mountains, with more than a million acres of protected wilderness. There are plenty of places to hike to mountaintops or secluded waterfalls, bike along backcountry trails, fish in mountain streams and paddle along the rivers. Or if you prefer to drive on the Blue Ridge Parkway, you may find native wildflowers or visit Mount Mitchell, the highest point east of the Mississippi River.

Their artistic heritage also runs deep, rooted in the pioneering spirit of institutions like Black Mountain College—an experimental institution that became a crucible for avant-garde thought and artistic expression in the early 20th century. Along with today’s art scene bursting with fine artists, mountain crafters, folk artists, numerous art galleries and performing arts venues, and an array of art events and artsy neighborhoods. And, of course, Asheville’s most celebrated landmark, the Biltmore Estate, which is George Vanderbilt’s 250-room castle, America’s largest home and the nation’s most-visited winery.

Annual Conference:

AOASM welcomes you to “Expanding Horizons in Sports Medicine” at this year’s Annual Conference. The inspiration for the educational conference and theme is the Blue Ridge mountains and the expanding reach of the collaborative team

vision for our members. This year’s conference has been designed to reflect a broad reaching exciting and engaging curriculum for learners. The design includes half day sessions with the following themes:

- Pediatrics and Masters Athletes
- Wilderness and Outdoor Medicine
- Performance Medicine
- Focus on Clinical Research
- Nontraditional and Mass Event coverage
- Professional development hands-on sessions in OMT, On Field
- Emergencies, and regenerative medicine

Preconference Education:

AOASM CAQ Board Review 1-day course is returning for the 4th year with an excellent group of faculty and will be a great opportunity for members to finesse their knowledge on initial and re-certification Board material! Also, we will reintegrate musculoskeletal ultrasound course led by a team of talented and well-regarded sports medicine physicians, to develop beginner and intermediate-advanced ultrasound skill sets. Come join the pre-conference courses!

Support for our students/residents/fellows:

With multiple colleges of osteopathic medicine and residency programs within driving distance of Asheville, we have a special opportunity to attract our osteopathic medical students/residents/fellows for this conference, so we built in workshops on splinting and casting, joint injections, sports-focused OMT lectures, and a speed mentoring activity. We will also continue the valuable case presentations and research, fellowship fair, and exclusive student/resident/fellow lunch programming.

On behalf of the outstanding planning team involved in organizing the 40th Annual Clinical Conference, I’m honored to offer Asheville and our program for your education, networking, and fun. Both the conference and the city have much to offer, and we hope to offer a unique and interactive experience to “Expand Your Horizons” at this AOASM Clinical Conference!

Sincerely,

Mark Rogers, DO, CAQSM, FAFAP, FAOASM
Program Chair, 2025 AOASM Clinical Conference

Pre-Conference Workshops

AOASM Mission Statement

The mission of the American Osteopathic Academy of Sports Medicine is to provide:

1. An educational forum for physicians and healthcare professionals to address the quality of healthcare for individuals in competitive, recreational, occupational, and industrial settings.
2. Leadership to establish and promote fitness and exercise guidelines, and to guide healthcare policy relating to wellness, physical activities, and sporting events.
3. A collegial environment in which physicians and other healthcare professionals can expand their content knowledge and enhance their clinical skills in primary care sports medicine.

Target Audience

Physicians, fellows, residents, students, physician assistants, and nurses in both academic and private practice who are involved in the evolving sports medicine. Others who may also benefit attending include athletic trainers, athletes, and physical therapists.

Pre-Registration

Please complete the enclosed registration form or go to the AOASM Clinical Conference webpage to register and pay online. Conference registration cancellations will be accepted in writing only. A \$50 administrative fee will be charged for cancellation requests received by 5:00 pm Central Time on **Tuesday, April 1, 2025**. No refunds will be given for any requests received after Monday, April 1. All refunds will be processed no later than May 30, 2025. Walk-ins and replacements are always welcome. If you have any questions, please call the AOASM Office at +1-608-443-2477, ext. 144, or email info@aoasm.org.

40th Annual Conference Objectives

At the conclusion of the conference, the participant will be able to:

1. Understand the role and integration of musculoskeletal ultrasound in the diagnosis and treatment of athletic and common musculoskeletal injuries.
2. Evaluate overuse and traumatic injuries in pediatric sports medicine and formulate treatment protocols to facilitate safe return to sport.
3. Develop and understand current concepts in the diagnosis and treatment of injuries related to outdoor and wilderness sports activities.
4. Reinforce and understand an appreciation for the importance of osteopathic manipulative treatment, including fascial distortion model treatment and other modalities in the field of sports medicine.
5. Understand and be able to integrate strategies to improve sports performance in the athletic population.
6. Recognize the role research and scholarly activity play in advancing the science of osteopathic sports medicine.
7. Examine the role of regenerative medicine and their applicable techniques in the treatment and care of the athlete.
8. Develop and understand current concepts in the planning and covering mass events of various settings and types of sports and formulating an emergency action plan in the athletic population/events.

Welcome Reception

Join your colleagues at the Welcome Reception on the evening of **Wednesday, April 30, 2025**, from 5:30 p.m. - 7:00 p.m. in the Exhibit Hall. Take this opportunity to visit with colleagues, attend the Poster Sessions, and meet the exhibitors. Everyone is invited to attend.

The Russell M. Wright Memorial Keynote

The Russell M. Wright Memorial Keynote lecture will be held on **Thursday, May 1, 2025** from 10:00 a.m. - 11:00 a.m. Dr. Wright was a founding member of AOASM, and left a legacy of courage, commitment, inquisitiveness, caring, honor, and mentorship. The Rusty M. Wright Memorial Lecture is held annually to remind us of our osteopathic beginnings and challenge us to live up to the standards set by our Sports Medicine pioneers.

This year's featured memorial lecturer will be **Chris Mehallo, DO**.

The Allen Jacobs Memorial Lecture

The Allen Jacobs Memorial Lecture will be held on **Friday, May 2, 2025** from 11:00 a.m. - 12:00 p.m. The Allen Jacobs Memorial Lecture has been held since 2003 to help us remember his love of anatomy, teaching and osteopathic medicine.

This year's featured memorial lecturer will be **Steve Rowson, PhD.**

Optional Educational Activity

One-On-One Customized MSK Ultrasound Learning Workshops

Course Director: Albert, J. Kozar, DO, FAOASM, R-MSK
 Additional Course Faculty: Blake Boggess DO, FAOASM, R-MSK

Course Content: The learner purchases 60-minute increments of one-on-one hands-on US scanning time with a MSK ultrasound expert to learn the sports ultrasound skills of their choice. This enables the learner to customize the contents of their learning session and to acquire a specific MSK ultrasound skill.

- These workshops will be available in the early mornings or compete against other AOASM course lecture times.
- 1-hour of CME will be awarded for each session.
- A volunteer sports medicine fellow will be the model. (If you are associated with a SM fellowship training program, you may bring your own fellow. Please notify AOASM or the course director ahead of time.)

Target audience: This workshop is meant for learners of all MSK ultrasound (US) skill levels from novice to advanced.

Cost: \$250/hr

How to Sign Up:

- Online pre-conference sign-up is strongly encouraged. However, if still available, you may sign up for time slots at the start of the conference at the registration desk. Please check at the AOASM registration desk onsite to inquire with a staff member on remaining availability.
- When you register, you will need to select the number of hours you would like to reserve and pre-pay for this activity. Any member can purchase up to maximum of 2 slots (2 hours).
- A purchasing attendee may share their slot with up to 1 additional attendee. No more than 2 attendees in any one hour. The entire time slot cost must be purchased by 1 attendee in full.
- Each time slot is very limited with only 1-3 scanning stations per session.
- Time slots and instructor choice are first come, first served. We may not be able to provide the preferred instructor in all instances.
- Once paid, a survey will be send directly to the paid registrants for this activity with available time slots to select from. At that time registrants may also submit their topic(s) of interest and preferred course director ahead of time.

Group Outing: Excursion to the Biltmore Estate

Join fellow AOASM attendees on a group outing to the Biltmore Estate on Thursday, May 1, 2025. Nestled in the heart of Asheville, North Carolina, the Biltmore Estate stands as a testament to George Vanderbilt's vision of elegance and refinement. Built in 1895 as a retreat from the demands of city life, America's largest private home boasts 34 bedrooms, 43 bathrooms, and 65 fireplaces, spread across four acres of exquisite floor space. Each room reflects Vanderbilt's passion for art, culture, and literature, featuring masterpieces by Renoir, Whistler, and Sargent, alongside 16th-century tapestries and a library housing over 24,000 volumes in seven languages.

This year's group outing offers coach bus transportation to and from the Embassy Suites Asheville Hotel between 4:15 p.m. - 9:45 p.m. Two options to visit the Estate are available for all AOASM attendees and their guests with pre-registration and an additional fee per person outlined below:

Excursion 1: \$165.00

This ticket fee includes transportation, entrance into the Biltmore Estate, professionally trained and personal guided tour will be provided of the House in small groups of 15 or less. Guests may also enjoy the Gardens area and grounds adjacent to the House. Following the private tour, transportation will depart for the Antler Hill Village and Winery. Here, guests can enjoy optional wine tasting, shopping, and three restaurant/bars on their own.

(Important Note: Price is based on a minimum of thirty (30) guests. If this minimum is not met, the private Guided House Tour will be canceled and the AOASM will refund the participant money in full, or the participant can choose to be apart of Excursion 2 and the difference in the cost per-person will be refund back.)

Excursion 2: \$109.00

This ticket fee includes transportation, and entrance into the Biltmore Estate, Guests will be directed to a self-guided tour of the Gardens that is located adjacent to the house to walk and enjoy the grounds, and the outside area of the House at your leisure. Guests may also utilize the transportation provided to be dropped off in the Antler Hill Village. Guests there can visit the Farm area, the Legacy Area, the Winery for wine tasting, as well as enjoy shopping. The Village area also offers an ice cream shop, plus three restaurant/bars for additional enjoyment. To register yourself (and your guests), please indicate your attendance on the registration form. *(Important Note: A minimum of 40 participants is required to sign up for this ticket price, or the excursion will be canceled and refunded to attendees.)*

Student/Resident/Fellow Luncheon

Back by popular demand, a student/resident/fellow luncheon hosted by the AOASM will be held on **Friday, May 2, 2025**.

Students, residents, and fellows must pre-register for this event (onsite registration may not be available); please indicate your attendance on the registration form. As an added bonus, this year the luncheon will be held in combination with the AOASM Fellowship Fair.

Save the date to attend, network with fellow attendees, and interact with fellowship programs over this lunch period during the conference.

AOASM Fellowship Fair

This year the AOASM will be hosting another Fellowship Fair on **Friday, May 2, 2025**, as part of the Student/Resident/Fellow Luncheon event. Fellowship program staff are welcome to also attend the luncheon ahead of the fair at an additional fee. (There is no cost for programs to exhibit.)

This event will be a great opportunity for prospective students and residents to interact with fellowship programs at the conference during a lunch period. Program tabletop displays will also be located in the lunch space. By combining these events, both directors and potential applicants will have a chance to interact and foster interest for everyone involved.

Note: Interested fellowship programs may complete the sign up form that will be posted on the AOASM 2025 Conference website in early March. Fellowship programs can sign up to exhibit only **OR** sign up to exhibit and pay an additional fee of \$30.00 per person to join the group for lunch.

Speed Mentoring Mixer

Calling all students, residents, and fellows! Have you ever wondered about the possibilities of your sports medicine career? Join us from 7:00 p.m. to 9:00 p.m. on **Wednesday, April 30**, immediately after the Welcome Reception. No registration needed - see you there!

Award of Fellow Reception

Please make every effort to attend the AOASM Award of Fellow Reception on **Friday, May 2, 2025**, from 6:00 p.m. - 7:30 p.m. The reception will include a ticket to a Cocktail Reception to celebrate the 2025 Award of Fellow recipients. Event includes a cash bar, hors d'oeuvres, and an award ceremony. Tickets for the AOASM Reception Event are \$50 each and guests are welcome to register and attend. (Only \$30 for students, residents, and fellows.) You will need to purchase a ticket for each guest attending the celebration. To register yourself (and your guests), please check the AOASM Award of Fellow Reception on the registration form.

Support-A-Student

The AOASM understands the importance of student members and asks physician members for scholarship contributions to cover \$100 towards student conference expenses. Each contribution will go into the "Support-a-Student" fund. These \$100 student scholarships will only be awarded to students who present posters or are scheduled to give a presentation during the Conference, demonstrating his or her interest and initiative in the field of osteopathic sports medicine. Check the box on the registration form if you are interested in donating.

Conference Educational Credits

AOA Credits*

AOASM has requested that the AOA Council on Continuing Medical Education approve this program for AOA Category 1-A CME credits. Approval and number of program credits are currently pending and will be announced closer to the Clinical Conference. Register for continuing education credits by checking ALL of the applicable boxes on the registration form.

BOC Credits*

The American Osteopathic Academy of Sports Medicine is recognized by the Board of Certification, Inc., to offer continuing education for certified athletic trainers. Approval and number of program credits are currently pending and will be announced closer to the Clinical Conference.

Physical Therapy Credits

Continuing education (CE) requirements for physical therapists vary from state to state. Most states that mandate CE for renewal of licensure have a process in place where an individual PT/PTA licensee may petition directly to the state licensing agency for acceptance of a continuing education course. Check with your state licensing board for the proper procedures and forms.

**Please note: Attendees will receive credit reporting forms electronically after the AOASM Clinical Conference. Attendees will be responsible for completing and submitting the electronic forms according to the directions provided.*

Call for Case Presentations & Research Abstracts

The Case and Research Abstract Committee's goal is to have all sports medicine fellowship programs participate with a poster presentation, a case podium presentation, or a research podium presentation at the AOASM Clinical Conference. All participants will receive a certificate of participation. There will be a monetary prize for the first place research presentation, a separate monetary prize for first and second place case presentations, and a separate monetary prize for the best case and research poster presentation. Abstracts chosen for presentation will also be accepted for publication in the *Clinical Journal of Sports Medicine*.

To learn more about the submission process, check out the [AOASM 2025 Conference webpage](#).

Asheville, North Carolina, USA

With a mix of spectacular natural beauty and artful innovation, Asheville, North Carolina is a prime place to nurture connections and inspire growth. Surrounded by the ancient Blue Ridge Mountains, Asheville is a hub of homegrown brands, creative food culture, rejuvenating outdoor experiences, and a deeply rooted art scene, all reflecting the city's ever-evolving spirit.

While only 2% of the region continues to heal from Hurricane Helene, the rest of Asheville is rising more vibrant and determined as ever, earning recognition as a top destination this year by Forbes Travel Guide and The New York Times. The Biltmore is open, along with their Outdoor Center, and Antler Hill areas for tourist enjoyment. All the downtown restaurants and shops are open with the only exception of the River Arts District. Come early, stay extra to enjoy the downtown Asheville area which is the heart of it all, featuring 22 breweries to explore.
